

## Morrow County Commissioners to hold Town Hall Meetings

The Morrow County Board of Commissioners will be holding Town Hall Meetings in multiple locations throughout the County this month, seeking input regarding the north Morrow County building to be constructed in Irrigon.

The current Irrigon facility has reached its capacity and is need of a great deal of repair. The Commissioners previously decided, based on the size and condition of the building, that it was better suited to be torn down and a new structure put in its place.

The Board of Commissioners is inviting and encouraging the public to participate in several Town Hall style discussions on the following dates:

Tuesday, August 21<sup>st</sup> ~ 5:30-6:30 p.m.  
Boardman City Hall  
200 City Center Circle

Monday, August 27<sup>th</sup> ~ 5:30-6:30 p.m.  
Heppner City Hall  
111 N. Main Street

Thursday, August 30<sup>th</sup> ~ 5:30-6:30 p.m.  
Irrigon City Hall  
500 N.E. Main Avenue

The County is still working to schedule a time and location in Ione and is hopeful the citizens of the Lexington area will attend the other meeting locations.

We hope you can take advantage of this opportunity to learn more about the north Morrow County building project.
