  - 1. In addition:
    - a. Written notice of the tentative decision by the Planning Director shall be mailed to those persons described in paragraph (i) of this subsection. The notice shall inform the applicant and the surrounding property owners that the Planning Director will issue a final decision, with or without modifications and/or conditions, or denial of the land use request 21 calendar days from the date of the notice; unless a public hearing is requested.

- E. The notice shall include the following information:
  - 1. The nature of the application and the proposed use or uses which could be authorized;

- G. Failure of a property owner to receive notice as provided in this section shall not invalidate such proceedings if the mailing affidavit demonstrates that the notice was mailed to the address listed on the County Assessor's tax records.
- H. Notice of the final decision shall be sent to the applicant and any property owner, person, or agency which commented on the request, and to any other persons who requested such notice.
- I. If the proposed final decision is significantly different from that which was proposed in the tentative findings and conclusions that were sent out per this Section, then the process outlined in Paragraph C of this Section will be repeated.
- J. The final decision of the Planning Department on a land use request may be appealed within 15 days to the Planning Commission.
- K. The Planning Director is authorized to refer any application to the Planning Commission for consideration at a public hearing consistent with Section 9.050 of this Ordinance.

# SECTION 9.050. PUBLIC HEARINGS.

### MEMORANDUM

To:Morrow County Board of CommissionersFrom:Tamra Mabbott, Planning DirectorBOC Date:January 13, 2021RE:Monthly Planning Update

### Planning Commission Update

Planning Commission's December 8<sup>th</sup> meeting included hearings on land partitions and two legislative applications. The Commission unanimously recommended approval of the update to Zoning Ordinance Article 9 Administrative Procedures which include included general formatting and other updates as well as a new Administrative Review process to streamline certain land use applications. The creation of a Rural Residential 10-acre Zone was continued to the January 19<sup>th</sup> meeting in order to respond to comments submitted by 1,000 Friends of Oregon. Planning Commission meeting materials are posted on the Department website.

### Planning Applications submitted in December

Zoning Permits and Site Plan Reviews: 9Agriculture Exempt Certificates: 1Land Use Compatibility Reviews: 5Conditional Use Permits: 1Land Partition, Replat, Property Line Adjustments: 6Land Use Decisions: 1Rural Addresses: 3TOTAL applications: 26

Staff met with Columbia Development Authority and Port of Morrow officials to discuss the land use application process and standards required to allow future sewer service to the Army Depot industrial lands. An application is expected in March or April. This will be similar to approvals in place in Umatilla County and will ensure the opportunity to exercise the option of providing municipal sewer service in the future.

In an effort to streamline land partitioning applications, staff coordinated with City of Irrigon and researched water laws. As a result, Partition and Subdivision Plats will no longer require Irrigation District signature. Rather, Irrigation Districts will submit comments during the public review process, along with all other agencies. District comments will then be appropriately incorporated into the final county Findings, the application approval document. For more information or a copy of the letter provided to West Extension Irrigation District and Columbia Improvement District please contact the Planning Department.

### Energy Projects

County received notice of a new 500 MW solar farm proposed in Morrow County. Due to its large size, the State of Oregon Energy Facility Siting Council (EFSC) has regulatory and permitting jurisdiction. The Board of Commissioners, who also serve as the Special Advisory Group (SAG) appointed by EFSC, will submit a letter with comments about the Notice of Intent (NOI). See January 20<sup>th</sup> Board meeting agenda and packet. Public may provide comments to the Board of Commissioners acting as Special Advisory Group, or directly to EFSC. For more information about the project go to the EFSC website. <u>https://www.oregon.gov/energy/facilities-safety/facilities/Pages/WTS.aspx.</u> For an overview of the EFSC process:

The attached spreadsheet is a summary of all renewable projects in Morrow County to date.

### **Code Enforcement**

Code complaints were down in December. Enforcement Officer Deputy Madrigal and planners collaborated on several long-standing code violations and citations were issued. Planning staff introduced one property owner to a youth group in the area. The youth group then helped clean up the property. A big thank you to the volunteers and to the City of Irrigon for providing grant funds to pay for dumpster rental and disposal for the property in Wagon Wheel Addition. A draft update of the Code Enforcement Ordinance is complete and an internal review with County Counsel and Sheriff's Office will begin soon.

### Boardman Main Street Interchange Area Management Plan (IAMP)

Boardman had two pending zone change applications within the Boardman Main Street IAMP study area with close proximity to county roadways. The Amazon zone change application was withdrawn The Smith zone change was approved by Planning Commission will be scheduled for City Council review. Planning and Public Works staff have monitored the applications hope to meet with city staff to collaborate on design and to address impacts to county facilities.

**Long Range Planning Projects**: Staff continues to work on the list of long range planning projects presented in December to Commissioners. Projects were also described during the budget planning session.

### Website and GIS Mapping

Updates to the website continue, albeit more slowly than anticipated. Stephen Wrecsics, GIS Planner, is adapting his interactive zoning map (excluding links to Assessors' Office real query) for access from the website.

## SITING OF ENERGY FACILITIES IN OREGON EFSC Process Flowchart

The Oregon Department of Energy administers the Energy Facility Siting Council facility siting process, which consolidates state agency and local government regulations into a single review process. State agencies and local governments participate throughout the process. The three yellow stages indicate where public participation is encouraged.

Notice of Intent	<ol> <li>The NOI states the applicant's intention to submit an Application for a Site Certificate and includes general information about the project. It is not an application to construct the facility.</li> <li>The information in the NOI allows reviewing agencies, local governments, and the public to identify applicable requirements and special issues of concern the applicant must address in the application.</li> </ol>
Public Comment Period	<ol> <li>ODOE sends notice of the comment period to affected landowners, reviewing agencies and parties on EFSC's general mailing list. ODOE publishes a public notice in a local newspaper.</li> <li>Information provided during this comment period can help identify issues the applicant must address in the application.</li> </ol>
Project Order	1. ODOE issues the Project Order, which defines the analysis area for various types of impacts and identifies the applicable statutes, rules and ordinances the applicant must address in the Application.
Application for a Site Certificate	<ol> <li>The applicant submits its Application for a Site Certificate which describes the facility, its anticipated impacts and how it will meet EFSC's standards.</li> <li>The applicant must choose to either obtain local land use approval or have the land use decision incorporated into the EFSC process. If an applicant chooses the EFSC option, the applicant must address all applicable local land use criteria in the Application.</li> </ol>
Public Information Meeting	1. ODOE staff and the applicant conduct a public information meeting to explain the Application and the EFSC evaluation process.
Draft Proposed Order	<ol> <li>ODOE issues a Draft Proposed Order that addresses applicable issues identified by state and local agencies and includes preliminary evaluation and findings on whether the Application meets EFSC standards. The Draft Proposed Order includes recommendations to grant, with conditions, or deny a site certificate for the proposed facility.</li> </ol>
Public Hearing	<ol> <li>A hearing officer conducts a public hearing on the Draft Proposed Order.</li> <li>Members of the public and reviewing agencies have the opportunity to testify at the hearing or may submit written comments by the comment deadline.</li> <li>Failure to raise a relevant issue either orally at the hearing or in a timely submitted written comment precludes further participation in the EFSC process.</li> </ol>
Proposed Order	<ol> <li>Following the public hearing, EFSC reviews the Draft Proposed Order during a Council meeting.</li> <li>Based on direction from EFSC, ODOE issues the Proposed Order and Notice of Contested Case.</li> </ol>
Contested Case Hearing	<ol> <li>A hearing officer conducts the contested case proceeding.</li> <li>Only those persons who raised a relevant issue in person at the public hearing or in writing by the comment deadline on the Draft Proposed Order may participate in the contested case.</li> <li>The hearing officer issues a Recommended Contested Case Order.</li> </ol>
Final Order and Site Certificate	<ol> <li>EFSC reviews the hearing officer's Recommended Contested Case Order and issues a Final Order approving or denying the Application for a Site Certificate. If the Council approves the Application, EFSC also issues a Site Certificate.</li> <li>An appeal of the Final Order goes directly to the Oregon Supreme Court.</li> </ol>

- Re: Treasurer's Monthly Financial Statements as per ORS 208.090

The interest rate in November for the Local Government Investment Pool was .75%.

The interest rate for the Bank of Eastern Oregon is .05%.

The interest rate for Community Bank is .04%.

Outstanding checks as of November 30, 2020 was \$1,630,356.89.

The reason for the large amount is due to tax payment checks not being cashed.

The statement for the LGIP is also included.

I am working with County Council regarding the Investment authorization that the BOC needs to sign through June 30<sup>th</sup>. That is scheduled for next weeks agenda.

Please submit, along with your report of expenditures, to the address below, fax to 1-503-373-2393, or email to: <u>CVSO-NSOFunding@ODVA.state.or.us</u>

#### Reports are due NO LATER THAN the last working day of the month following the end of the fiscal quarter.

#### **INTERVIEW PROCESS**

Interviews are face-to-face interactions with a veteran and/or family member, either in the office or out of the office. These are not requests for information handled by a receptionist or casual conversations held at an outreach event. Enough information must be gathered to document the interaction into VetraSpec.

#### OUTREACH CONDUCTED

Outreach events are outside normal locations. Time spent in a scheduled satellite office is not counted as outreach. Outreach must be to more than one person. No matter the number of VSOs present, one location equals one event. A home visit is not outreach; it is an out-of-office interview.

The goal of outreach is an eventual increase in subsequent interviews, claims filed, and benefits awarded, as well as connecting that veteran or family member with other beneficial programs in you county.

Location of Event	Other Departments/services Attending	Approximate Number of People Attending
Hosted Virtual Resource Roundtable	Various providers	30
Virtual OCVSOA meetings	CVSOs	30+

## <u>Justice Court</u> <u>Quarterly Report</u> January 01, 2020

- 1. Distribution of Fines and Assessments for the months of October, November and December 2020
- 2. Dealing with the pandemic.
  - a. The Court staff has continued to work diligently and as efficiently as possible during this time. I am very pleased with their dedication.
  - b. We have greeted a new Temporary Employ who is filling in while one of our clerks is out on FMLA. Bianca is our temp, and she has been doing a fantastic job keeping up in operation.
  - c. Due to the distancing requirements and in an effort to limit exposure risks for everyone who attends Court I have limited, In- person cases to (1) at a time. In an effort to speed up the time between cases we have installed a digital number station. As people check in for Court They are given a number and asked to wait in their cars until their number is called. (this is like what you would see at DMV) This has helped a lot. We also have been and will continue a limited telephonic hearing process during these times.
- 3. Office organization: as you know we were able to install a new PolyCom system and this has helped in our ability to contact the Jail and arraign defendants who are in custody.

#### 4 NEEDS:

The Court and public would really benefit If we had the digital ability (cameras and server) to conduct "virtual court" Via Zoom or some other venue.

Thank you.

Sincerely

Glen G. Diehl Justice of the Peace

Morrow County for the year of July 2020 to December 2020 has had a total of **978** face to face contacts with offenders this up from the previous report of **624** face to face. We have had **2393** offender contacts by telephone, text, email or Facetime. This is an increase from **624** contacts in previous reports. These changes in the contacts from the face to face contact to any other contacts is due to the COVID 19.

   P&P attempts to meet monthly with CCS to staff the behavioral health population of the case load but it has been difficult to accomplish with the COVID 19.

> OREGON DEPARTMENT of VETERANS' AFFAIRS Serving Organ Frendan Source 1915

Portland and Vancouver-area veterans 75 years of age and older are encouraged to watch for a phone call from VA Portland Health Care System staff to schedule their COVID-19 vaccination.

Vaccinations will soon be expanding to other VA Portland clinic locations and ramping up in volume.

Staff asks that veterans please DO NOT call VA Portland to inquire about vaccinations. Currently, operators and staff will not be able to schedule veterans who call in for a COVID vaccination.

The VA encourages people to check for COVID vaccination information updates at <u>www.portland.va.gov</u>, follow them on Facebook, or call the designated VA Portland COVID-Vaccination Information Line at 503-220-3434.
