Associate Members are ineligible to vote and may not serve on the Governing Board.

B. The Governing Board shall consist of 5 Members. The Governing Board will elect the following officers: a Chair; a Vice Chair; and a Secretary. A quorum shall be a majority of the Members of the Governing Board.

C. The Governing Board shall meet at least twice each year, at a meeting place designated by the Governing Board. The Governing Board may make, establish and alter rules and regulations for its procedure consistent with generally recognized principles of parliamentary procedure. The Governing Board shall have the power to carry out the purposes of this Agreement, including but not limited to the power to: adopt bylaws; develop specific procedures and protocol for requesting assistance; develop specific procedures and protocol for responding to a request for assistance; organize meetings; operate a website; disseminate information; create informational brochures; create subcommittees; maintain membership lists; maintain equipment and supply inventory lists; and deal with membership issues.

ARTICLE IV. REQUESTS FOR ASSISTANCE

A. Member Responsibility: Members shall designate Authorized Official(s); provide contact information including emergency 24-hour contact information; and maintain resource information made available by the utility for mutual aid and assistance response. Such information shall be updated annually or when changes occur and provided to the Governing Board.

In the event of an Emergency, a Member's Authorized Official may request mutual aid and assistance from a participating Member. Requests for assistance can be made orally or in writing. When made orally, the request for

personnel, equipment, and supplies shall be provided in writing as soon as practicable. Requests for assistance shall be directed to the Authorized Official of the participating Member. The Governing Board shall develop specific protocols for requesting aid in bylaws, as amended from time to time.

B. Response to a Request for Assistance: After a Member receives a request for assistance, the Authorized Official evaluates whether resources are available to respond to the request for assistance. Following the evaluation, the Authorized Official shall inform, as soon as possible, the Requesting Member whether it has the resources to respond. If the Member is willing and able to provide assistance, in its sole discretion, the Member shall inform the Requesting Member about the type of available resources and the approximate arrival time of such assistance.

C. Discretion of Responding Member's Authorized Official: Execution of this Agreement does not create any duty to respond to a request for assistance. When a Member receives a request for assistance, the Authorized Official shall have sole and absolute discretion as to whether or not to respond to the request, and the availability of resources to be used in any such response. All Authorized Official's decisions on the availability of resources shall be final unless overridden by the Member's governing body.

ARTICLE V. RESPONDING MEMBER PERSONNEL

A. National Incident Management System: When providing assistance under this Agreement, the Requesting Member and Responding Member will use the organizational principles set forth in the National Incident Management System.

B. Control: Responding Member personnel shall remain under the direction and control of the Responding Member. The Requesting Member's Authorized Official shall coordinate response activities with the designated supervisor(s) of the Responding Member(s). Whenever practical, Responding Member personnel must be self sufficient for up to 72 hours.

C. Food and Shelter: When possible, the Requesting Member shall supply reasonable food and shelter for Responding Member personnel. If the Requesting Member does not provide food and shelter for responding personnel, the Responding Member's designated supervisor is authorized to secure the resources reasonably necessary to meet the needs of its personnel. Except as provided for below, the cost for such resources must not exceed the State per diem rates for that area. To the extent Food and Shelter costs exceed the State per diem rates for the area, Responding Member must demonstrate that the additional costs were reasonable and necessary under the circumstances. Unless otherwise agreed to in writing, the Requesting Member remains

responsible for reimbursing the Responding Member for all reasonable and necessary costs associated with providing food and shelter, if such resources are not provided.

D. Communication: The Requesting Member shall provide Responding Member personnel with radio equipment as available, or radio frequency information to program existing radio equipment, in order to facilitate communications with local responders and utility personnel.

E. Licenses and Permits: To the extent permitted by law, Responding Member personnel who hold valid licenses, certificates, or permits evidencing professional, mechanical, or other skills shall be allowed to carry out activities and tasks relevant and related to their respective credentials during the specified Period of Assistance.

F. Right to Withdraw: The Responding Member's Authorized Official retains the right to withdraw some or all of its resources at any time for any reason in the Responding Member's sole and absolute discretion. Responding Member(s) shall have no liability from a decision to withdraw. Notice of intention to withdraw must be communicated to the Requesting Member's Authorized Official as soon as is practicable under the circumstances.

ARTICLE VI

COST REIMBURSEMENT

A. Cost Reimbursement: Unless otherwise mutually agreed by the Requesting Member and the Responding Member, the Requesting Member shall reimburse the Responding Member for each of the following categories of costs incurred while providing aid and assistance during the Period of Assistance.

B. Personnel Costs: Responding Member personnel costs shall be the amount to be paid for work performed by the Responding Member's personnel during a Period of Assistance under the terms and conditions of the Responding Member's individual employment contracts with such personnel. The Responding Member's designated supervisor(s) shall keep accurate records of work performed by personnel during the Period of Assistance. Requesting Member reimbursement to the Responding Member shall include all personnel costs incurred by the Responding Member, including, but not limited to, salaries or hourly wages, costs for fringe benefits, and indirect costs.

C. Costs of Equipment: The Requesting Member shall reimburse the Responding Member for the use of equipment during a Period of Assistance, including, but not limited to, reasonable rental rates, all fuel, lubrication, maintenance, transportation, and loading/unloading of loaned equipment. All

equipment shall be returned to the Responding Member as soon as is practicable and reasonable under the circumstances. Generally, rates for equipment use will be based on the Federal Emergency Management Agency's (FEMA) Schedule of Equipment Rates. If a Responding Member uses rates different from those in the FEMA Schedule of Equipment Rates, the Responding Member must provide such rates orally or in writing to the Requesting Member prior to supplying equipment. Mutual agreement on which rates are used must be reached in writing prior to dispatch of the equipment. Reimbursement for equipment not referenced on the FEMA Schedule of Equipment Rates must be developed based on actual recovery of costs. In the event loaned equipment is damaged while being dispatched to Requesting Member, or while used during a Period of Assistance, and such damage is not due to negligence or intentional acts of the Responding Member, Requesting Member shall reimburse Responding Member for the reasonable cost of repairing such damaged equipment. If the damaged equipment cannot be repaired, then Requesting Member shall reimburse Responding Member for the reasonable cost of replacing such damaged equipment with equipment that is of equivalent age, condition and of at least equal capability. If Responding Member must lease a piece of equipment while its equipment is being repaired, Requesting Member shall reimburse Responding Member for such rental costs.

D. Costs of Materials and Supplies: The Requesting Member must reimburse the Responding Member in kind or at actual replacement cost, plus handling charges, for Responding Member's use of expendable or non-returnable supplies during the Period of Assistance. The Responding Member must not charge direct fees or rental charges to the Requesting Member for supplies and reusable items that are returned to the Responding Member in a clean, damage-free condition. Reusable supplies that are returned to the Responding Member with damage shall be treated as expendable supplies or non-returnable for purposes of cost reimbursement.

E. Payment Period: The Responding Member must provide an itemized bill to the Requesting Member for all expenses incurred by the Responding Member in providing assistance under this Agreement, not later than ninety (90) days following the end of the Period of Assistance. The Responding Member may request additional periods of time within which to submit the itemized bill, and Requesting Member shall not unreasonably withhold consent to such request. The Requesting Member shall pay the bill in full on or before the forty-fifth (45th) day following the billing date. The Requesting Member may request additional periods of time within which to pay the itemized bill, and Responding Member shall not unreasonably withhold consent to such request, provided, however, that all payment shall occur not later than one-year after the date a final itemized bill is submitted to the Requesting Member.

F. Records: Each Responding Member and their duly authorized representatives shall have access to a Requesting Member's books, documents, notes, reports, papers and records which are directly pertinent to this Agreement for the purposes of reviewing the accuracy of a cost bill or making a financial, maintenance or regulatory audit. Each Requesting Member and their duly authorized representatives shall have access to a Responding Member's books, documents, notes, reports, papers and records which are directly pertinent to this Agreement for the purposes of reviewing the accuracy of a cost bill or making a financial, maintenance or regulatory audit. Such records shall be maintained for at least three (3) years or longer where required by law.

ARTICLE VII. DISPUTES

If a dispute arises between Members under this Agreement, the disputing Members shall first attempt to resolve the dispute by negotiation, followed by mediation and finally by filing an action in a court of competent jurisdiction.

Step One: The disputing Members shall authorize a person ("Authorized Official") to negotiate on their behalf. If the dispute is resolved at this step, there shall be a written determination of such resolution, signed the disputing Members' Authorized Official and ratified by each governing body, if required. Step One will be completed when notice is delivered in writing to all disputing Members.

Step Two: If the dispute cannot be resolved within fifteen (15) business days at Step One, the disputing Members shall submit the matter to mediation. The disputing Members shall attempt to agree on a mediator. If they cannot agree, the disputing Members shall request a list of five (5) mediators from an entity or firm providing mediation services. The disputing Members will mutually agree on a mediator from the list provided. If the disputing Members cannot mutually agree upon a mediator, the disputing Members shall alternatively strike one name from the list until one mediator remains. The remaining mediator shall be the mediator for the dispute. Any common costs of mediation shall be borne equally by the disputing Members who shall each bear their own costs and fees. If the issue is resolved at this step, a written determination of such resolution shall be signed by each Authorized Official and ratified by their respective governing bodies, if necessary.

Step Three: If the disputing Members are unsuccessful at Steps One and Two, the dispute shall be resolved by a State of Oregon

court of competent jurisdiction. Venue shall be in the jurisdiction of the Responding Member, subject to statutory limitations.
