**Purchase Pre-Authorization Request - Addendum for Intermediate Procurements
Purchases in Excess of \$10,000 but less than \$150,000**

Note: The County may not artificially divide or fragment a procurement so as to constitute an intermediate procurement under this section. Purchases in excess of \$150,000 require a formally solicited Request for Proposals.

Requirements of ORS 279B.070:

(3) When conducting an intermediate procurement, a contracting agency shall seek at least three informally solicited competitive price quotes or competitive proposals from prospective contractors. The contracting agency shall keep a written record of the sources of the quotes or proposals received. If three quotes or proposals are not reasonably available, fewer will suffice, but the contracting agency shall make a written record of the effort the contracting agency makes to obtain the quotes or proposals. [ORS 279B.070(3)]

Quote/Proposal 1:

Withnell Dodge, Salem Oregon - \$41719.00

Quote/Proposal 2:

Northside Ford, Portland Oregon - \$46364.90

Quote/Proposal 3:

Tom Denchel Ford, Hermiston Oregon - \$42800.00

Quote/Proposal 4:

Hermiston Chrysler Dodge, Hermiston Oregon - \$42600.00

*Attach documentation as needed

(4) If a contracting agency awards a contract, the contracting agency shall award the contract to the offeror whose quote or proposal will best serve the interests of the contracting agency, taking into account price as well as considerations including, but not limited to, experience, expertise, product functionality, suitability for a particular purpose and contractor responsibility under ORS 279B.110. [ORS 279B.070(3)]

Staff Recommendation:

After consultation with head mechanic Buz Wainwright and review of options, the recommendation is to go with Proposal #1 from Withnell Dodge.

Purchase Pre-Authorization Request

Purchase pre-authorization is required prior to all purchases in excess of \$5,000.

DATE: May 5, 1994

RE: Purchasing Policy

It shall be the policy of Morrow County to require the Finance Director to sign-off on all major purchases. Examples of major purchases may include trips and conferences, lease agreements, or equipment and should include all capital outlay purchases.

Normal operating supplies such as paper, even in large quantities, would not require a sign off. This is particularly important for purchases not anticipated at the time of budget, such as a piece of equipment that breaks down.

The purchasing sign-off should take place before the request comes to the County Court for pre- approval. This allows the County Court to be aware of the expenditure before the obligation is incurred and to be assured that there are adequate funds to cover the request.

Staff Contact: Dave Pranger Phone Number (Ext): 5703

Department: Weed Dept. Date: 9/19/2017

Purchase Amount: \$47000 Budget Line: 224-100-5-40-4401

Is the purchase a "public improvement?" No Yes, Address ORS 279C

Does the purchase amount exceed \$10,000? No Yes, See Page 2

Description:

Pre-authorization for cab & chassis diesel pickup to replace current weed sprayer truck as approved during this past years budget hearings. Flatbed and sprayer unit from current truck will be transferred to new truck. Purchase amount listed is highest of the three bids received with options to be determined at time of purchase. Low bid will be under the purchase amount stated above. Please see attached copies off quotes with options.

Morrow County Commissioners:

At our recent Weed Advisory Board Meeting, Weed Manager, Dave Pranger, asked that we request the Morrow County Noxious Weed "A" list to officially include "Plumeless thistle", a recently discovered invader to Morrow County. Plumeless thistle is currently listed on the Morrow County website and is on the State of Oregon Noxious Weed "A" and target lists.

We are also requesting Flowering rush, state "A" and target list, and Yellow flag iris, state "B" list be added to the Morrow County "A" list also. All three invasives have received risk assessments by the Oregon State Weed Department

We feel the most important weeds to include on the County's "A" list are weeds not present in the county or in small enough amounts to be mandated by ordinance to eradicate.

For questions or concerns, please contact me or Dave Pranger.

Thank you,

1. TITLE OF AGENDA ITEM:

Intergovernmental Agreement #5471 between the State of Oregon and Morrow County.

2. ISSUES, BACKGROUND, AND DISCUSSION:

Morrow County has had an Intergovernmental Agreement with the State of Oregon for many years to provide Parole and Probation services.

3. OPTIONS:

- a. Accept as presented. So the Morrow County Parole and Probation program will continue to be funded by the State.
- b. Choose to modify
- c. Choose to deny

4. FISCAL IMPACT:

These are State funds, used to run the Morrow County Parole and Probation program. These funds are not from the Morrow County budget, these funds will be added into the Morrow County budget. A huge positive for Morrow County. Based on the increased funding, the 510-community corrections budget will have to be updated. Dan Robbins, Kate Knopp and John A. Bowles can work together on the needed updates.

5. STAFF RECOMMENDATIONS:

I recommend accepting the Intergovernmental Agreement #5471 as presented.

- B. The Plan and Intergovernmental agreement (IGA) must be received by the DEPARTMENT from the COUNTY. After receipt of both the Plan and IGA, DEPARTMENT will authorize payments to the COUNTY as scheduled in this Section VII.

- C. The first payment to COUNTY will occur as soon as possible after the DEPARTMENT's budget is legislatively approved and implemented and quarterly thereafter.
- D. The DEPARTMENT will disburse to COUNTY one eighth of the County Correction Grant Funds authorized under this Agreement within 15 days of each of the following dates; 7/1/17, 10/1/17, 1/1/18, 4/1/18, 7/1/18, 10/1/18, 1/1/19, and 4/1/19.

DEPARTMENT's obligation to disburse County Correction Grant Funds is subject to satisfaction, on the date of each disbursement, of each of the following conditions:

1. COUNTY is in compliance with all terms and conditions of this Agreement;
 2. This Agreement has not been terminated; and
 3. DEPARTMENT has received funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement.
- E. Both parties agree that all reallocations of funds between or within programs shall require a County Community Corrections Plan Modification, except that COUNTY may reallocate up to ten percent of funds in any budget category in the approved Plan between or within programs without a County Community Corrections Plan Modification. COUNTY shall notify DEPARTMENT in writing of such reallocation within 30 days after making the reallocation.
 - F. Unexpended Funds: Fund balances remaining at the termination of this agreement may be retained by the COUNTY, upon approval by the DEPARTMENT, for the provision of on-going supervision, correctional services, and sanctions in accordance with the Plan.
 - G. Supervision fees collected by COUNTY will be used to offset costs of supervising the probation, parole, post-prison supervision or other supervised release pursuant to ORS 423.570 and its administrative rules, as amended from time to time.
 - H. Unauthorized Expenditures: Any County Corrections Grant Funds expended for unauthorized purposes will be deducted by DEPARTMENT from payment or refunded to DEPARTMENT upon request.

- I. For purposes of the delivery of field corrections services, DEPARTMENT recognizes COUNTY as an ongoing partner for all County Corrections appropriations provided by the State of Oregon Legislature according to ORS 423.475 to 423.565.
- J. Funding for Sexually Violent Dangerous Offenders: Funding for the intensive supervision of Offenders designated as sexually violent dangerous offenders by the Court or Board of Parole and Post-Prison Supervision is limited to the amount appropriated for this specific program.
- K. In the event that the COUNTY retains funds to spend in the next biennium under Subsection VII(F), then Subsections VII (D)-(G) and (I)-(J) will survive termination or expiration of this Agreement.

VIII NONCOMPLIANCE

- A. The Assistant Director of Community Corrections or the Assistant Director's designee shall annually review COUNTY's compliance with this Agreement under ORS 423.500 to 423.560. COUNTY must substantially comply with the provisions of the Plan received by DEPARTMENT and this Agreement.
- B. If, upon review, DEPARTMENT determines that there are reasonable grounds to believe that COUNTY is not in substantial compliance with this Agreement or Plan, DEPARTMENT shall contact COUNTY regarding the alleged noncompliance and offer technical assistance to reach compliance. If COUNTY does not resolve the alleged noncompliance, DEPARTMENT shall, after giving COUNTY not less than 30 calendar days' notice, conduct a hearing to ascertain whether there is substantial compliance or satisfactory progress being made toward compliance. After technical assistance, which may include peer review or other assistance, is provided and the hearing occurs, DEPARTMENT may suspend any portion of the funding made available to COUNTY under ORS 423.500 to 423.560 until County complies as required.
- C. In the event that a dispute arises, COUNTY may appeal to the Director of the Department of Corrections.

IX INDEMNIFICATION See Exhibit C

X TERMINATION

- A. It is understood and agreed by the parties hereto that this Agreement will remain in force only during its term and will not continue in force after its term. There will be no automatic extension, but this Agreement may be extended only by written Amendment.

- B. It is understood and agreed by the parties hereto that if any part, term or provision of this Agreement, including any part, term or provision of any appended material, is held by a court to be illegal or in conflict with any law of the State of Oregon or applicable administrative rule, that element of this Agreement including relevant appended materials will be void and without effect and will be treated by the parties as having been terminated as of the date of determination of the voidness.
- C. If COUNTY chooses to discontinue participation in the Plan as described in this Agreement and ORS 423.483(2), COUNTY may terminate participation at the end of any month by delivery of a resolution of the Board of Commissioners to the DEPARTMENT's Director or the Director's designee not less than 180 calendar days before the date on which COUNTY intends to discontinue its participation. Termination of COUNTY participation may occur only at the end of a month. This Agreement will terminate on the same date that COUNTY discontinues its participation in the Plan.
- D. If COUNTY terminates participation, the following will apply:
1. The responsibility for correctional services transferred to COUNTY and any unused County Corrections Grant funds will revert to DEPARTMENT.
 2. In no case does responsibility for supervision and provision of correctional services to misdemeanor Offenders revert to DEPARTMENT.
- E. It is understood and agreed by the parties hereto that this Agreement will automatically terminate if the State of Oregon fails to provide any funding. If there is reduced state funding as described in ORS 423.483, County may terminate the Agreement as described herein.

XI COMPLIANCE WITH APPLICABLE LAW

Both Parties shall comply with all federal, state and local laws, regulations, executive orders, and ordinances to which each is subject and which is applicable to this Agreement. Without limiting the generality of the foregoing, the parties expressly agree to comply with: (i) Title VI of the Civil Rights Act of 1964; (ii) Section V of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to those laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. DEPARTMENT's performance under this Agreement is conditioned upon COUNTY's compliance with the provisions of ORS 279B.220, 279B.230,

279B.235 and 279B.270, as amended from time to time, which are made applicable to this Agreement and incorporated herein by this reference. All employers, including COUNTY, that employ subject workers who work under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage unless such employers are exempt under ORS 656.126. COUNTY shall ensure that each of its subcontractors complies with these requirements.

Nothing in this Agreement shall require County or Department to act in violation of state or federal law or the Constitution of the State of Oregon.

XII ACCESS TO RECORDS

For not less than six (6) years after Agreement expiration or termination, DEPARTMENT, the Secretary of State's Office of the State of Oregon, the federal government, and their duly authorized representatives shall have access to the books, documents, papers and records of COUNTY which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts. COUNTY shall retain all pertinent records until the later of: (i) the date that is not less than three years following the Agreement expiration or termination date or (ii) the date on which all litigation regarding this Agreement is resolved. COUNTY agrees that full access to DEPARTMENT will be provided in preparation for and during litigation and that copies of applicable records shall be made available upon request and payment by DEPARTMENT for the COUNTY's cost to produce the copies.

XIII SURVIVAL

All rights and obligations shall cease upon termination or expiration of this Agreement, except for the rights and obligations set forth in Sections IV, IX, X, XI, XII, XIII, and XIV.

XIV GOVERNING LAW; JURISDICTION; VENUE

The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

XV WAIVER

The failure of either party to enforce any provision of this Agreement will not constitute a waiver by that party of that or any other provision.

XVI EXECUTION AND COUNTERPARTS

This Agreement may be executed in several counterparts, each of which will be an original, all of which will constitute but one and the same instrument.

XVII MERGER; INTEGRATION

This instrument contains the entire agreement between the parties and no statement made by any party hereto, or agent thereof, not contained or attached with reference thereto in this written agreement will be valid or binding. This Agreement will supersede all previous communications, representations, with verbal or written, between the parties hereto. This Agreement may not be enlarged, modified or altered except in writing, signed by the parties, and attached.

MORROW COUNTY NETWORK ACCESS BY COUNTY

1. COUNTY jail users will be permitted to use existing DEPARTMENT data circuits to access third party systems. Access is permitted for jail management system application users only. COUNTY jail users will not be permitted to use DEPARTMENT circuits for video conferencing, Real Audio, Internet access, applications that require large amounts of bandwidth, or other jail management software online service or system unless approved by DEPARTMENT. COUNTY jail users will be permitted to use DEPARTMENT's data circuits for video image transmissions using a NIST standard (available from DEPARTMENT upon request).
 - A. All network traffic covered by this agreement will employ TCP/IP network protocols.
 - B. DEPARTMENT will continue its policy of only providing one router to each county. This means that if COUNTY's jail and the parole and probation office are located in separate buildings, COUNTY will be responsible for providing a connection between the two buildings.
2. COUNTY understands and acknowledges that DEPARTMENT is subject to the public records provision of ORS 192.410 through 192.505 and other applicable laws and administrative rules which establish uniform guidelines and procedures for the release of information from DEPARTMENT's computer system.

**EXHIBIT C
INDEMNIFICATION
MORROW COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the Department is jointly liable with the County (or would be if joined in the Third Party Claim), the Department shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the Department on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Department on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Department's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Department had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the Department (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Department in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the Department on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the Department on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to County. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a

contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Department:

"TAIL" COVERAGE If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County 's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and the Department may grant approval of the maximum "tail " coverage period reasonably available in the marketplace. If Department approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.
