RE: Update on FY18-19 Infrastructure Funds

Dear Morrow County Commissioners,

Thank you again for the continued support of the Infrastructure Funds for the City of Boardman. As requested, I would like to communicate how the funds will be allocated and/or spent this Fiscal Year.

The City of Boardman received \$122,796 from the Grant to Cities and \$50,000 from the Small Cities Allotment. The bid to pave Olson Road came in at \$212,560. The City of Boardman anticipates using approximately \$39,764 from the street reserve to cover the additional costs.

The City of Boardman has received an estimated bid of \$166,673.00 for paving of Faler Road when the Water and Sewer project is complete, so there is always a place to spend additional funds in our street fund.

The City of Boardman appreciates your continued support. Without the Infrastructure Funds, the City of Boardman would struggle meeting the needs of our growing community.

Sincerely,

A handwritten signature in blue ink that reads 'Karen Pettigrew'.

Karen Pettigrew, City Manager  
City of Boardman
