## HERITAGE TRAIL INTERPRETIVE PANELS REQUEST FOR PROPOSALS

### RESPONSE TO VENDOR QUESTIONS

The project includes a total of eight (8) interpretive panels. Morrow County has a digital version of seven (7) of the eight panels and a photo-only of one panel which will need to be recreated in its entirety.

The content or general theme for each of the panels is established however, county would like the consultant, together with the trail committee, to modify and update the content (written material and graphics).

Seven of the eight panels are posted on the website here:

A budget and funds are established for the project.

Deliverables for the project includes:

2 sets of 8 panels (16 total) plus three metal stands.

Dimensions of the panels: 22 ½" X 40 ½"

Material type is not established; existing is a durable fiberglass.
