Katie Imes: Transportation Coordinator

## **Morrow County Special Transportation**

### **Covid-19 Policy Update – May 22, 2020**

With guidance from Oregon Department of Transportation with Governor Browns Orders on May 14<sup>th</sup> 2020, Special Transportation is following all requirements concerning Covid-19.

Special Transportation is required to have all drivers and passengers wear a mask, unless there is a physical condition that prevents the passenger from wearing one, or the passenger is under the age of two years old.

Special Transportation is required to allow six feet between the passenger and the driver, except during boarding and in assisting those with mobility devices. All passengers are required to sit in the back seat. Only one rider will be allowed in the vehicle unless, the caretaker or partner are living together.

Reminders to follow:

- Avoid large groups or gatherings
- Limit trips in public
- Avoid close proximity to others If possible, maintain six feet of distance
- Wash your hands often and avoid touching your face

Special Transportation is dedicated to the health of our drivers and passengers. These efforts to reduce the impact of Covid-19 will remain in effect until further notice. We appreciate your patience at this time.

Sincerely,

Katie Imes, - Transportation Coordinator
