SURVEYORS CERTIFICATE & NARRATIVE:

I, Ronald V. McKinnis, being a Registered Professional Surveyor of the State of Oregon, certify that I have correctly Surveyed and Monumented the lands depicted on this Plat, and more particularly described in the Legal Description hereon. I also certify that this Plat meets all the requirements as established by Chapter 92, Oregon Revised Statutes.

This survey is based on the survey by Griffis for the Corps of Engineers, my Bearing Base is that of his survey between 17th and 18th Street. I used the found ODOT monument on the North side of the intersection of 17th and Wagner's monument at the Northeast corner of 18th to calculate the locations of Worthington's monuments on the Centerline of East Oregon Avenue, the same being the 1/16 line of Section 20. I divided the parent tract into two (2) parcels as depicted by this Plat. The Initial Point of this survey was the found Northerly O.D.O.T. Monument located along 17th Street as shown. This survey was completed with a Trimble GPS RTK Total Station.

OWNER'S DECLARATION / DEDICATION:
